Hi Julie,

I will order columns for the mass spec's and GC's.  
I am planning a Boston trip for Thursday. I will be there around 10:00 – 10:30.  
If you are available I will see you then.

Thanks,

Jim

Jim/Chuck,

There is some surplus lab supply money on the State Lab account. here is your opportunity to stock up on consumable supplies, gc and lc columns etc. Please plan ahead to at least September 2010. Obviously, we don't want to order large quantities of solvents or compressed gases unless there is a way to drop ship the items.

Now is not the time to be frugal.

Gary - is there office supply money too? If so, books, folders etc.

Julie
